HOW TO USE
- Check SAMMIE’s website for materials related to these kits!
  - SAMMIE Home > Teen Resources > Teen Programming Kits
- On our website you’ll find...
  - Prep timelines
  - Posters (variety of sizes)
  - Rules & Regulations regarding the kits as a whole as well as for each individual kit
  - Permission slips
  - Media materials (press releases, etc.)
- SAMMIE requires that you fill out the online evaluation after your program is over so that we can determine how this kit is being used!
- A traveling programming journal is provided so that users can share with others their successes, challenges, and what they’d do different.
- You may check out more than one kit at a time (Example: lighting and karaoke or modern and classic board games)
- For use only by SAMMIE member libraries (school, public, academic, special). NOT for use by the general public.

ABOUT THE TEEN CO-OP
Beginning in June, 2007 Pioneerland Library System, SAMMIE, and Plum Creek Library System (PSP) began to provide coordinated and cooperative support for healthy youth development through a mutual strategic planning process, coordinated by the Teen Co-op Steering Committee.
