

## **SAMMIE Damage/Liability Statement**

By the checking out of and the use of this SAMMIE Teen Programming Kit you are agreeing to the following rules regarding regular wear and tear or damages:

- Please note that the institution that checks out the kit is responsible for it and all its contents and as such we expect that the institution will provide adequate supervision in regards to usage of the kit contents.
- We expect normal wear and tear of items included through general usage. If there is any minor damage (Ex: torn CD booklet) please make a note of this in the included programming journal for the future.
- In the case of extensive damage to any item in the kit which renders it unusable, i.e. damage beyond repair (Ex: Smashed guitar), please contact SAMMIE immediately. You may be responsible for replacing the item; however SAMMIE will work with the individual institution to resolve any and all damage claims.
- User assumes all responsibility for risk and injury incurred during a program. For any such program where risk may be a factor we advise utilizing a parental release/permission slip, examples of which have been provided.
