

Supplies for each Mancala Game:

Two (2) muffin tins with six cups

Two Paper Cups

48 Stones/Marbles (I used flat round stones for aquariums or home décor) Color does not matter so multi-colored is fine.

Do something to indicate colored sides and Mancalas. I used duct tape on each edge of the muffin tin and on the paper cups. I also printed labels that say Black Mancala and Green Mancala for further marking.

Include in kit:
