

I Spy on the Farm Supply List

Finger Puppets — I had several cloth ones that were in our supply closet. When those were gone I used the Finger Puppet printout and the kids colored their own.

Farm Sequencing Card Set

Lamination Sheets — not required but I did laminate them. They can surely be used without lamination

Farm Sequencing Solution Sheet — included in the kit so parents can help child with sequencing if needed.

Book Suggestions Sheet

Life on the Farm Coloring Book — Print this document as two-sided. Fold in half and staple in the center.
