

Heart Wreath

Take & Make

Instructions

Supplies list:

Provided: Wooden Heart, Flowers in 3 shades of pink or solid purple or pink.

YOU WILL NEED YOUR OWN GLUE GUN & GLUE!

Directions:

First, you will need to remove the heads of the flowers from the stems, separating them by color.

Next, use your glue gun to glue the lightest color of roses (you will have 8 roses.) to the top of your heart, **continue** by using the medium color of roses (You will have 8 roses.) to fill in the middle of the heart.

Last glue the darkest color of roses (You will have 8 roses.) to the bottom of the heart.

If you have gaps, you can use some snipped petals to fill in . There is an extra flower included for this.

The hanger is attached, so you are ready to hang it up right away and enjoy it.
