Requirements of recipients include:

- Proof of payment is required for all expenses.
- Recipients will post a report using the [Prairielands Scholarship Report Form](#).

Incomplete or incorrect request forms will delay the recipient's reimbursement process and may jeopardize pay out of the approved CE Scholarship if not properly completed within the 30 day deadline period.
- The Request for Reimbursement form (including all proofs of payment), along with the scholarship

report, must be completed and submitted to the Prairielands office within thirty (30) days of the completion of the event. If requirements are not met on time, the CE Scholarship award will not be paid out. Contact Prairielands with questions.

- The CE Scholarship recipient is responsible for requesting reimbursement. Reimbursement will be made to the recipient OR the designated organization, such as the recipient's employer or Friends of the library group.
- Recipients may be asked to share their experience with other Prairielands members at Continuing Education events in the region or via other Prairielands communications.

CE Scholarship applications will be reviewed by Prairielands Staff and awarded on a competitive basis. Award decisions will be based on the amount of funds available vs. applications received; past CE Scholarship(s) received by applicant(s); lack of merit of the event being applied for. Possible results of application review are as follows:

1. Award full amount requested.
2. Award less than full amount requested.
3. Deny application.

The Prairielands office will approve CE Scholarships based on past history set by the Prairielands Member Council.

If the total amount of CE Scholarship funds requested exceeds the amount allotted, the funds available will be divided among all applications (exception – “first time applicants,” will receive the full amount of their request. If all the funds set aside are not applied for, late applications will be considered on as “as they arrive” basis. Unused funds will be carried over to the next CE Scholarship deadline.

Prairielands accepts CE Scholarship applications for mileage or substitutes to attend Prairielands sponsored events. Applications for CE Scholarships for Prairielands events must be submitted before the event.

An e-mail confirmation of approval, partial approval or denial will be sent within 3-5 working days. If an applicant needs to know the status of their application immediately, the applicant is responsible for notifying the office directly. Approval e-mails will contain all the materials needed (i.e. request for reimbursement form, travel policy information and guideline material) to request reimbursement. It is critical to remember these materials must be complete and returned to/received in the Prairielands office within 30 days of the final date of the event.
